

**Department of State****Bureau of Educational and Cultural Affairs (ECA) Notice of Funding Opportunity**

**(NOFO):** FY2016 Kennedy-Lugar Youth Exchange and Study (YES) Program Overseas Components

**Announcement Type:** New Cooperative Agreement

**Funding Opportunity Number:** ECA-ECAPEC-16-021

**Catalog of Federal Domestic Assistance Number:** 19.415

**Application Deadline:** March 28, 2016

**Executive Summary:** The Office of Citizen Exchanges, Youth Programs Division, of the Bureau of Educational and Cultural Affairs (ECA) announces an open competition for a cooperative agreement to manage the FY2016 organizational components of the Kennedy-Lugar Youth Exchange and Study (YES) program. The YES program advances the U.S. foreign policy goals of engaging youth populations and building civil society by providing physical exchanges and building lasting ties between high school students from countries with significant Muslim populations and the people of the United States. The agreement will also fund exchanges for American youth that will immerse them in the cultures of several selected countries with significant Muslim populations while living and attending high schools abroad. Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3) may submit proposals to: (1) recruit and select international students from designated countries (referred to herein as “inbound” participants) and American students (referred to herein as “YES Abroad” participants); (2) identify host families and schools, and provide programs and support to American participants in approximately thirteen countries overseas; (3) provide orientations to all groups; (4) coordinate travel and logistics; (5) liaise with U.S. embassies and natural families; and (6) provide follow-on alumni programs that promote civil society, leadership, and mutual understanding. ECA intends to award one cooperative agreement for approximately \$16,250,000.

**A. Program Description:**

**Authority:** Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, as amended, Public Law 87-256, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries...; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations...and thus to assist in the development of friendly, sympathetic, and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

**Program Scope and Purpose:** The YES program provides approximately 900 scholarships for high school students from countries with significant Muslim populations to live in the United States for the purpose of promoting mutual understanding between our countries. Students live with host families, attend high school for an academic year\*, engage in activities to learn about

American society and values, acquire leadership skills, and help educate Americans about their countries and cultures. The YES Abroad program provides scholarships for approximately 65 U.S. high schools to study for an academic year in participating YES countries. Participants live with host families, attend school, and share American culture and values with others while learning about their host countries.

In a cooperative agreement, ECA is substantially involved in program activities above and beyond routine monitoring. These activities and the roles and responsibilities of the Department and your organization are outlined in the attached Project Objectives, Goals, and Implementation (POGI).

\* Note that students from Malaysia will participate only in the spring semester due to the school year cycle in their home country.

#### **B. Federal Award Information:**

**Type of Award:** Cooperative Agreement. ECA's level of involvement is listed under I. Funding Opportunity Description.

**Fiscal Year Funds:** 2016

**Approximate Total Funding:** \$16,250,000

**Approximate Number of Awards:** 1

**Approximate Average Award:** \$16,250,000

**Floor of Award Range:** None.

**Anticipated Award Date:** April 15, 2016

**Anticipated Project Completion Date:** September 30, 2019

**Additional Information:** Pending successful implementation of this program and the availability of funds in subsequent fiscal years, it is ECA's intent to renew this cooperative agreement for two additional fiscal years before openly competing it again.

#### **C. Eligibility Information:**

**C.1. Eligible Applicants:** Applications may be submitted by public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 USC 501(c)(3).

#### **C.2. Cost Sharing or Matching Funds:**

There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs that are claimed as your contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for

determining the value of cash and in-kind contributions must be in accordance with the Office of Management and Budget's Circular 2 CFR Parts 200 and 600, entitled the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA's contribution will be reduced in like proportion.

### **C.3. Other Eligibility Requirements:**

- a. Bureau grant and cooperative agreement guidelines require that organizations with fewer than four years of experience in conducting international exchanges be limited to \$130,000 in Bureau funding. ECA anticipates making one award of approximately \$16,250,000 to support program and administrative costs required to implement this exchange program. Therefore, organizations with less than four years' experience in conducting international exchanges are ineligible to apply under this competition.
- b. **Sub-Awards:** Due to the scope and geographic breadth of this cooperative agreement, ECA anticipates that applicants will propose multiple organizations as subaward recipients. This approach is encouraged to strengthen the primary award recipient's capacity in each country. Each subaward recipient must have significant previous experience in youth exchange within the respective country(ies) where it will implement the program. The applicant will, however, be fully responsible for the oversight of its subaward recipients. Further information on subawards is provided in the OMB Circular 2 CFR Parts 200 and 600, entitled the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards referenced in section F.2.
- c. **Technical Eligibility:** All proposals must comply with the following or will be declared technically ineligible and given no further consideration in the review process:
  - i. Eligible applicants may not submit more than one proposal in this competition. If more than one proposal is received from the same applicant, all submissions will be declared technically ineligible and will receive no further consideration in the review process. **Please note:** Applicant organizations are defined by their legal name and EIN number as stated on their completed SF-424 and additional supporting documentation outlined in the Proposal Submission Instructions (PSI) document.
  - ii. Proposed programs may not include multiple academic year exchanges; and
  - iii. Proposals must identify subaward recipients and include letters of commitment from implementing partners.

**D. Application and Submission Information:** Note: Please read the complete announcement before sending inquiries or submitting proposals. Once the NOFO deadline has passed, Bureau staff may not discuss this competition with applicants until the proposal review process has been completed.

**D.3a.** You are required to have a Unique Entity Identifier (UEI) number to apply for a grant or cooperative agreement from the U.S. Government. Please ensure that your UEI (DUNS) number is included in the appropriate box of the SF – 424 which is part of the formal application package

**D.3b.** All proposals must contain an executive summary, proposal narrative, budget, and budget narrative. Please refer to the Solicitation Package. It contains the mandatory PSI document and the POGI document for additional formatting and technical requirements.

**D.3c.** All federal award recipients must maintain current registrations in the System for Award Management (SAM) database in order to submit a proposal in response to an open competition on Grants.gov.

All federal award recipients must maintain current registrations in the SAM database. Recipients must maintain accurate and up-to-date information in <http://www.SAM.gov> until all program and financial activity and reporting have been completed. Recipients must review and update the information at least annually after the initial registration and more frequently if required information changes or another award is granted. Failure to register in SAM will render

applicants ineligible to receive funding.

**D.3d.** You must have nonprofit status with the IRS at the time of application. Please note: Effective January 7, 2009, all applicants for ECA federal assistance awards must include in their application the names of directors and/or senior executives (current officers, trustees, and key employees, regardless of amount of compensation). In fulfilling this requirement, applicants must submit information in one of the following ways: (1) Those who file Internal Revenue Service Form 990, "Return of Organization Exempt From Income Tax," must include a copy of relevant portions of this form; (2) Those who do not file IRS Form 990 must submit information above in the format of their choice.

**D.3e.** In addition to final program reporting requirements, award recipients will be required to submit a one-page document, derived from their program reports, listing and describing their grant activities. For award recipients, the names of directors and/or senior executives (current officers, trustees, and key employees), as well as the one-page description of grant activities, will be transmitted by the State Department to OMB, along with other information required by the Federal Funding Accountability and Transparency Act (FFATA), and will be made available to the public by the Office of Management and Budget on its USASpending.gov website as part of ECA's FFATA reporting requirements.

**D.3f.** If your organization is a private nonprofit that has not received a grant or cooperative agreement from ECA in the past three years, or if your organization received nonprofit status from the IRS within the past four years, you must submit the necessary documentation to verify nonprofit status as directed in the PSI document. Failure to do so will cause your proposal to be declared technically ineligible.

**D.3g.** All ECA awards recipient organizations must be registered with GrantSolutions by accessing [www.GrantSolutions.gov](http://www.GrantSolutions.gov). To register as a first time user of GrantSolutions, please scroll to the bottom of the home page and click "Getting Started-Request a User Account" at <http://home.grantsolutions.gov/home/home/customer-support/getting-started/>. **Please take into consideration the following information when preparing your proposal narrative:**

**D.3h. Adherence to all regulations governing the J1 Visa:** The Office of Citizen Exchanges of the Bureau of Educational and Cultural Affairs is the official program sponsor of the exchange program covered by this NOFO, and an employee of the Bureau will be the "Responsible Officer" for the program under the terms of 22 CFR 62, which covers the administration of the

Exchange Visitor Program (J visa program). Under the terms of 22 CFR 62, organizations receiving awards (either a grant or cooperative agreement) under this NOFO will be third parties "cooperating with or assisting the sponsor in the conduct of the sponsor's program." The actions of recipient organizations shall be "imputed to the sponsor in evaluating the sponsor's compliance with" 22 CFR 62. Therefore, the Bureau expects that any organization receiving an award under this competition will render all assistance necessary to enable the Bureau to fully comply with 22 CFR 62 et seq.

The Bureau of Educational and Cultural Affairs places critically important emphases on the secure and proper administration of Exchange Visitor (J visa) Programs and adherence by recipient organizations and program participants to all regulations governing the J visa program status. Therefore, proposals should explicitly state in writing that the applicant is prepared to assist the Bureau in meeting all requirements governing the administration of Exchange Visitor Programs as set forth in 22 CFR 62.

If your organization has experience as a designated Exchange Visitor Program Sponsor, you should discuss your record of compliance with 22 CFR 62 et seq., including the oversight of Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

The award recipient will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at <http://j1visa.state.gov> or from:

Office of Designation, Private Sector Programs Division  
U.S. Department of State  
SA-44, Suite 668  
301 4th Street, S.W.  
Washington, D.C. 20547

Please refer to Solicitation Package for further information.

**D.3i. Diversity, Freedom and Democracy Guidelines:** Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of political, social and cultural life in the United States and abroad. "Diversity" should be interpreted in the broadest sense and encompass differences including race, color, national origin, sex, age, religion, geographic location, socio-economic status, disability, sexual orientation or gender identity. Proposals should demonstrate how diversity will enhance the program's goals and objectives and the participants' exchange experience. Please refer to the review criteria under the 'Support of Diversity' section of this document as well as the

DIVERSITY, FREEDOM AND DEMOCRACY section in the "Proposal Submission Instructions" document for specific suggestions on incorporating diversity into the total proposal.

Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106 - 113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

**D.3j. Program Monitoring and Evaluation:** Proposals must include a plan to monitor and evaluate the project's success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the recipient organization will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions). The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project's objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes are "smart" (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You should also show how your project objectives link to the goals of the program described in this NOFO.

Your monitoring and evaluation plan should clearly distinguish between program outputs and outcomes. Outputs are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. Outcomes, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the NOFO (listed here in increasing order of importance):

1. **Participant satisfaction** with the program and exchange experience.

2. **Participant learning**, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.
3. **Participant behavior**, such as concrete actions to apply knowledge in work or community; greater participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.
4. **Institutional changes**, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

**Please note:** Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it 1) specifies intended outcomes; 2) gives clear descriptions of how each outcome will be measured; 3) identifies when particular outcomes will be measured; and 4) provides a clear description of the data collection strategies for each outcome (i.e., surveys, interviews, or focus groups). (Please note that evaluation plans that deal only with the first level of outcomes [satisfaction] will be deemed less competitive under the present evaluation criteria.)

Recipient organizations will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

Program Monitoring includes a focus specifically on ensuring students' health, safety, and welfare throughout the year. Successful monitoring depends heavily on setting clear goals and outcomes at the outset of a program. Your monitoring plan should include a description of your objectives for YES Abroad and how and when you intend to measure these outcomes. You should also show how your project objectives link to the goals of the program described in this NOFO.

Overall, the quality of your monitoring plan will be judged on how well it specifies successes and challenges. Recipients will be required to provide reports analyzing their YES Abroad monitoring findings to the Bureau in their quarterly program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

**D.3k. Virtual Exchange Component:** ECA welcomes innovative ideas on how organizations can leverage appropriate mobile and/or online technologies to maintain engagement among exchange participants, encourage project collaboration and widen participation in the overall project to a broader audience. ECA strongly encourages organizations submitting proposals in

response to this solicitation to suggest one or more virtual exchange components to complement the in-person exchange. The virtual exchange component(s) could come before, during and/or after the physical exchange. The objective for the virtual exchange component(s), defined as technology-enabled, sustainable, people-to-people, cross-cultural exchanges, is to augment the impact of the in-person exchange described in this solicitation. ECA encourages organizations to propose virtual exchange ideas that take advantage of ECA's existing web and social networking platforms, including our International Exchange Alumni space. Virtual exchange components would be coordinated with and approved by the ECA program office and U.S. missions abroad on a project by project basis.

**D.3l. Communications Guidance for ECA Grant Recipients:** All ECA award recipients must adhere to the requirements in [ECA's Communications Guidance](#) on the creation of program branding and attribution, websites, social media, and press.

**D.3m.** Please take the following information into consideration when preparing your budget:

**D.3n.** Applicants must submit SF-424A – “Budget Information – Non-Construction Programs” along with a comprehensive budget for the entire program. Please indicate clearly the number of students funded by country. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

**D.3o.** See POGI section II.3, Detailed Budget for allowable costs. Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

All subawards, including accompanying budgets required to accomplish overall program objectives described herein, shall be submitted with the proposal package and must be approved by the Grants Officer, prior to commencement.
